

Pit Boss Classic – Onyx Edition

Bring the best to your backyard with the Pit Boss® Classic – Onyx Edition. This wood pellet grill comes equipped with all the Bigger, Hotter, Heavier features Pit Boss is known for, now complete with industry leading technology and a sleek new design, backed by the Pit Boss best-in-class 5-year warranty.

With more than 4,769 cm² of cooking space and 8.5 kg hopper capacity, the Classic can handle any meal or meat cut that you've got on the menu. Easily set cooking temperatures between 82 and 260 °C with 5-degree increment settings on the advanced digital control board. Or you can slide over the Flame Broiler™ Lever for direct flame searing up to 535 °C.

- 4,769 cm² of cooking space; holds approximately 31 burgers
- Easily maintain temperatures of 82 and 260 °C with our advanced digital control board with 5 °C increment settings
